### **Railroad Crossing Improvement on Stonefield Road Attend SNA Annual Meeting on April 22 to select favored option**

The Stonefield Neighborhood Association was informed by the State Railroad Commissioner that the Federal government is requiring that the railroad crossing lights and guard at Stonefield Road be replaced in 2007.

At the Stonefield Neighborhood Association's board meeting February 1, the board discussed improvement options, one which the State will put in free, and one which will can put in with \$12,000 of street work by the City of Middleton.

The SNA board approved a motion to have neighbors select between the two options at the

prior to and at the annual meeting. Option 1 would have the crossing installed by the state. Option 2 would have street modifications done, with the SNA cost-sharing up to \$2,000 to the project.

The description of the options are listed on the back page. These options will be discussed at the annual meeting.

If you are unable to attend the SNA Annual Meeting on April 22 and would like to express your choice of options, please call Jon DiPiazza at 836-5433 or email to: [stonefield@stonefield.org](mailto:stonefield@stonefield.org)

### **SNA Annual Meeting, Saturday, April 22, 7:00 pm, Capitol Brewery, Middleton**

Please attend the SNA Annual Meeting on Saturday, April 22, starting promptly at 7:00 p.m. at the Capitol Brewery in Middleton. It will be a great chance to socialize with neighbors and conduct important business for the neighborhood. Snacks will be provided. Refreshments are on your own.

#### **Board Elections**

Elections for the board of directors will be held at the annual meeting. If you would like to run for the board, please call Jon DiPiazza at 836-5433 or email to: [stonefield@stonefield.org](mailto:stonefield@stonefield.org) by

April 10 to make sure your name will be on the ballot.

##### **Special Thanks**

A special thank you to Jeffery Mattox for his work in putting together the 2005-07 Stonefield Neighbor Directory. He collected the ads from local businesses and updated the listings in the directory.

## Stonefield Rd. Railroad Crossing Guard Replacement Options

### Option 1

Overhead, cantilevered signals the same as the ones on Deming Way, between Greenway Station and University Ave. This photo shows the type of crossing guard and signal that would be installed with this option.

Items for consideration: State pays for entire installation. Concern about attractiveness in neighborhood.

### Option 2

Median installed by the City with narrowing of the street near the tracks. Signals would be on both sides of the street and in the median. The Stonefield Neighborhood Association will cost-share up to \$2,000. This is a drawing by the City with approximate modifications.

Items for consideration: More attractive crossing. Could help classify crossing as a “no horn” zone and will act as traffic calming. Cost to the Stonefield Neighborhood Association from available funds.
