Mayor Sonnentag attended and had several announcements: road construction on Old Middleton Road is set to begin in June. This coincides with phase 2 of University Avenue. Middleton was awarded 20 mature fruit and nut trees through an on-line competition from Edy's. These trees will be planted in Bock Community Gardens. The **All-America City Award** is given by the National Civic League annually to ten cities in United States. The oldest community recognition program in the nation, the award recognizes communities whose citizens work together to identify and tackle community-wide challenges and achieve uncommon results.
