April 2005

Stonefield Neighborhood Spring Fling - April 9

The Stonefield Neighborhood Association will hold its annual meeting Saturday, April 9, from 6:00 - 11:00 p.m. at the Capitol Brewery in Middleton.

The get-together will be a fun time to meet neighbors and shake off the winter blues.

The social will start at 6:00 p.m. with a potluck dinner, and the rest of the night will be time for socializing.

We will hold a short business session at 7:00 p.m. to update you on what the Stonefield Neighborhood Association has been working

on in the last year and elect board of directors.

Neighborhood Spring Fling and Annual Meeting Tentative Agenda

- 6:00 p.m. Social Time
- Potluck Dinner
- 7:00 p.m. SNA Annual Meeting

Neighborhood Security and Beautification

Once spring gets here it would be a good time to do simple home security and property repairs to maintain the value of your home and the integrity of the Stonefield neighborhood. There are two projects that neighbors should spend some time, and yes, a bit of money on: mailbox repair and post lamp lighting repair. Most of the property deeds require that homes have a mailbox and working lamp post that comply with the covenants.

Mailbox and post repair: Wildbirds Unlimited on Old Sauk Rd. carries the style of mailboxes approved for the neighborhood and will provide a discount to SNA neighbors. Repair or replace broken mail box posts, or even give them a fresh coat of paint. If your mailbox is being held together with wire or strapping cords, it's time to put a little effort into some repair.

Globe lantern repair: Check to make sure you have a working light bulb in the globe lantern in your front yard. Also make sure your light sensor is working, if your house was built with an automatic sensor. This lighting helps improve the overall evening lighting in the neighborhood because of the limited number of street lights, and helps deter crime. If you didn't know, the lamps are one of the signature features of the Stonefield neighborhood.

Thanks for your work in keeping your property appearance looking nice.

Sign Beautification Teams

The Stonefield Neighborhood Association will provide funds to do landscaping around the three signs at the neighborhood entrances. Mary Brunsell has volunteered to provide her Master Gardener assistance in selecting the planting.

If you would like to help with planting and upkeep, please contact one of these sign team leaders:

Woodgate - Tom Thieding 836-5709
Gammon Rd. - Mike Adler 831-5678
Old Middleton Rd. - Brad Norhaus
